Thanks Kimi.

Omar: Can you find an hour on our schedules toward the end of next week to propose to Scott? Otherwise, let's try for the following week after the Monday holiday.

Hi Douglas and Omar,

I don't have a preference either way- seems like we could set a meeting now with FWS for anytime after our Tuesday internal discussion.

Thanks, Kimi

Thanks Omar.

Hi Kimi: do you have a preference on whether we should wait to set a date with Fish until after our meeting next Tuesday?

Douglas/Kimi:

I received this response from USFWS SD. Do you want me to set up a meeting for next week after our meeting? or the week after?

Hello Sierra,

Myself and staff should be able to participate. We are on central time. Do you have a specific date that works for you?

Thank You

South Dakota Field Office:

We would like to request a meeting with the ESA section 7 point of contact over the phone (based on your availability in the next few weeks) to discuss possible proposal changes to the mitigation plans for the following project:

Re: Section 7 ESA Consultation

U.S. EPA Region 8 UIC Program

Operator: Powertech (USA), Inc.

Proposed Project: Powertech's Dewey-Burdock In-situ Uranium Recovery Project Site

UIC Draft Permits No.: SD31231-00000 and SD52173-00000

Fall River and Custer Counties

Topic of Discussion: TBD

The EPA Region 8 UIC received USFWS formal concurrence last year (see attachment) and will like to discuss some possible reconsideration changes.

Please let us know your available days/times to set up a phone conference call.
